

Saskatoon Whitewater Kayak Club Presents: 2010 Winter/Spring School Kayak Lessons for Saskatoon Schools

The Saskatoon Whitewater Kayak Club would like to invite Saskatoon Schools to participate in a new set of School Kayak lessons in 2010!!! We have had tremendous success in 2009 offering fun and safe kayaking opportunities to Saskatoon School students and look forward to sharing our excitement for kayaking with a new batch of students in 2010. Due to the increased demand of our program, we have decided to offer two time slots to better accommodate schools. Please refer below for information on our program.

Location

Harry Bailey Aquatic Centre

Available Times

1) 9:00am to 11:45am

Classroom session from 9:00am to 9:45am (Harry Bailey classroom or pool deck)

Pool session from 9:45am to 11:45am (Shallow end of the competition pool)

2) 12:15pm to 3:00pm

Classroom session from 12:15pm to 1:00pm (Harry Bailey classroom or pool deck)

Pool session from 1:00pm to 3:00pm (Shallow end of the competition pool)

*Pool sessions can be shortened to accommodate bussing schedules

Numbers

Minimum of 10 students.

Maximum of 20 students at one time.*

*Due to limitations on equipment and space we have had to put a cap on the number of students participating at one time at **20**. If you have more than 20 students in your class then we would ask you to book two sessions and divide your class in half.

When booking two sessions for large classes, we have found that it works very well to book the Leisure Pool or the Dive Tank and do another activity with the half of your class who are not participating in kayaking.

Cost

\$10.00 per student plus the Harry Bailey lifeguard fee. There is no cost for teachers wishing to participate.

Age

Kayak Lessons are limited to grades 6 through 12

What you need

Students will require:

- Swim Suit
- Towel
- Water Bottle
- Goggles and nose plugs are optional and must be provided by the student

Procedure

Choose a couple of dates which work for your class and then contact Ruth Werner or another booking staff at the Harry Bailey Aquatic Centre (**306.975.3321**). Book the classroom and the **shallow end of the competition pool** for the date and session time you want. If the classroom is unavailable we will do the classroom session on the pool deck.

Once you have booked with Harry Bailey please contact Brendan Curson at brendancurson@yahoo.ca and inform him of the date(s), session time(s), and the number of students participating in each session.

Payment

Classroom teachers will be invoiced after their kayaking date

We encourage you to have your students investigate kayaking before they partake in our program. Some available resources, videos, and other SWKC programs can be found on our website www.saskwhitewater.wordpress.com.
