Grade 8 students at Mother Teresa School stage dramatization of the Stations of the Cross

More than 40 Grade 8 students at Mother Teresa Elementary School have prepared a dramatization of the Stations of the Cross and will be staging a public performance just before Easter. The 14 Stations depict the final hours (or Passion) of the life of Jesus.

Friends, family and members of the public are invited to walk the stations as the students bring each one to life. Each Grade 8 student from the school is involved in the production as an actor, member of the audio-visual crew or other behind-the-scenes job.

Media are invited to attend. Details are as follows:
