Students to mark centennial with premier

Students at **St. Mark School (411 Pandygrasse Road)** will be joined by the Honourable Lorne Calvert, Premier of Saskatchewan, on **Friday, June 3** for a school centennial celebration.

The event will begin with a hot dog lunch and videos in the gym at **12 p.m.**, followed by students singing the centennial song and cutting a centennial cake. The premier is also presenting the school with Tiger Lilies and will plant them along with a number of students as a way to ensure the preservation of our provincial flower. In addition, the premier will be making a presentation to the school library to mark the occasion.

At 2 p.m. St. Mark and Fairhaven school students and staff, joined by the premier, will take part in co-operative games and In Motion activities.

St. Mark is a pre-kindergarten to Grade 8 community school with approximately 325 students and 40 teaching, service and support staff.
